About us

Popham Kidney Support, based in Swansea, was founded March 2013 by family and friends of the late Paul 'Wally' Popham who suffered with renal failure for half his life with an enviable positive attitude. His philosophy for life was to "believe in yourself."

Sadly Paul lost his brave battle in October 2012. In memory of him and to keep his legacy alive the charity has been set-up to support renal patients in Wales receive a better quality of life.

Paul Popham would be proud to know that his spirit lives on by supporting patients like him in Wales.

Thank you

Joanne Popham
